KVC® Missouri

We all need connection.

Thank you for your interest in fulfilling wish lists for our Webster Groves-Edgewood Campus.

The families we serve are often stretched thin covering treatment and care, leaving little behind for necessities. These kits help provide essential and meaningful items that families we care for need throughout the year.

Below are five separate wish lists for different needs made up as kits. The lists include suggested items for each kit.

Kits are created by purchasing the necessary items, assembling them, and then dropping them off at our campus.

Unfortunately, we are not able to subsidize costs for the supplies to create the kits. However, we offer volunteer service hours for the time it takes to create the kits.

On average, each kit has 4 to 5 items a piece,
plus, the item the kits are in (i.e. laundry basket, shower caddy, school bag). For 10 hours of service, we recommend at least 15 kits. This is great for school groups, scouts, or if you need just a few more service hours for school. If needed, we can provide a letter that certifies the number of hours received.

Once the kits are ready, you can mail them or deliver them to our campus, just a few short miles away from downtown Webster Groves.
330 North Gore Ave., St. Louis, MO 63119

Drop off times are Monday-Thursday, 9am-4pm.
Special arrangements may be made if this timeframe does not work.

Volunteer Kit Project in Support of KVC Missouri

Below is a project that small or large groups can do to help children at KVC Missouri. This project takes place off-campus and volunteer groups provide the items for the kits (you choose the items). Unfortunately, we are not able to subsidize the cost of the supplies.

Personal Hygiene Kits

Many children teenagers that come into our care arrive here with nothing of their own. Just being in a new place is difficult enough. It makes such a difference to give them their own personal hygiene items!

Gallon freezer bags, totes or shower caddies can be used to store the items. Many have shopped at the Dollar Store (or a store with less expensive items) to buy things. To be considered full kits for hours, we require 4-5 items. *[Travel size items not excepted. Full size items only, please.]*

- *Products for Natural and Protective Hairstyles*
  Example: ECO Gel, OGX Edge Control
- *Deodorant*
- *Body Wash*
- *Lotion*
- *Sunscreen*
- *Comb/Brush*
- *Hair Accessories*
- *Bath Towel*
- *Diapers (all sizes) and Wipes*
- *Feminine Products*

These can be delivered to:

Please contact me if you would like more information about the kits.
