An Afternoon of Camaraderie and Generosity

KVC Missouri Friends are excited to host the second annual Purses With A Purpose event at Algonquin Golf Club on Friday, May 17, 2024. Last year's inaugural luncheon was a great success, and we look forward to another inspiring event supporting the children and families served by KVC Missouri.

The luncheon will feature a high-end silent auction including designer handbags and accessories from celebrities, local personalities, business leaders, and all your favorite shops.

KVC Missouri at a Glance

KVC Missouri provides family strengthening services, foster care, children's mental health, educational services, residential treatment, and other services. This broad continuum of care means that children can access services from the least intensive, community-based care to the most intensive, children's mental health residential treatment programs.

We have more than 800 caring team members and 24 locations statewide with regional hubs in St. Louis, Kansas City, Springfield, Columbia, and St. James. The organization has a wonderful legacy of caring that stretches back to the early 1800s as many grassroots children's organizations have chosen to become part of KVC.

The Impact of KVC Missouri Friends

The Friends of KVC Missouri is a group of engaged St. Louis community members who organize activities for the benefit of the children, families, and program staff. Created more than 40 years ago, these dynamic volunteers have contributed their time and talent to enrich and positively encourage the lives of those receiving services from KVC Missouri. Along with volunteering their time, they solicit donations for the various activities, and work diligently to provide a positive, happy experience for children and families.

Through their efforts, they have organized and coordinated such events as:

- Annual Spring Luncheon
- End of School Year Party
- Holiday Fair for Families
- Teacher and Student Holiday Gift Bags
- Holiday Luncheon for Teachers
