

Thank you for your interest in fulfilling wish lists for our
Webster Groves-Edgewood Campus.

The families we serve are often stretched thin covering treatment and care, leaving little behind for necessities.

Below are five separate wish lists for different needs made up as kits. The lists include suggested items for each kit.

Unfortunately, we are not able to subsidize costs for the supplies to create the kits. However, we offer volunteer service hours for the time it takes to create the kits.

For example, on average, each kit has 4 to 5 items a piece, plus, the item the kits are in (i.e. laundry basket, shower caddy, school bag). For 10 hours of service, we recommend at least 15 kits. This is great for school groups, scouts, or if you need just a few more service hours for school. If needed, we can provide a letter that certifies the number of hours received.

Once the kits are ready, you can mail them or deliver them to our campus, just a few short miles away from downtown Webster Groves.

Volunteer Kit Projects in Support of KVC Missouri

Below is a project that small or large groups can do to help children at KVC Missouri. This project takes place off-campus and volunteer groups provide the items for the kits (you choose the items). Unfortunately, we are not able to subsidize costs of the supplies.

Help Teachers spruce up their classrooms!

As important as it is to get supplies for the children, our teachers desperately need things, too! So many of them use their own money to make their classrooms pleasant for the kids. Teachers have told us that they could really use things like:

- *Reuseable Birthday Party Supplies*
- *Post-it Notes (the small 3 x 3 size, any color)*
- *Command Strips (Little ones so they can put things on their walls)*
- *Expo Markers and Erasers*
- *Expo White Board Cleaner*
- *Clorox Cleaning Wipes*
- *Lysol Disinfectant Spray*
- *Room Fresheners – any kind, any smell would be welcome!*
- *Paper Towels*
- *Kleenex (Puffs preferable)*
- *Laundry Detergent (All Clean and Clear)*
- *Candy/Chocolate*
- *Hand Sanitizer*

These can be delivered to:

KVC Missouri
330 N Gore Ave
Webster Groves, MO 63119

Please contact me at your earliest convenience if you would like more information about the kits. This is a great way to volunteer your time and make a difference in the lives of the children...and the teachers!

Ready for Fun in the Sun

Many of our families struggle financially. Buying summer toys will never be as important as buying food for their children. By providing these supplies, the families will have a magical, safe summer! The kits can include things like:

- *Sunglasses for children and teens*
- *Sunblock or Sunscreen for children and teens*
- *Lip Balm*
- *Any kind of water bottle*
- *Sidewalk Chalk*
- *Bubble wands*
- *A fun bucket with toys to play in the sand*
- *Anything you think a kid would love to play with outside in the sun!*

These can be delivered to:

Personal Hygiene Kits

Many teenagers that come into our care arrive here with nothing of their own. Just being a teenager is difficult enough these days. It makes such a difference to give them their own personal hygiene items!

Gallon freezer bags, totes or shower caddies can be used to store the items. Many have shopped at the Dollar General Store (or a store with less expensive items) to buy things such as:

- *Shampoo/Conditioner*
- *Hair Products for African American Hair*
Like: ECO Gel, OGX Edge Control
- *Deodorant*
- *Body Wash*
- *Comb/Brush*
- *Toothbrush/Toothpaste*
- *Hair Accessories*
- *Bath Towel*
- *Feminine Hygiene Products*

These can be delivered to:

Healthy Home Kits

Many of our families struggle financially. Buying cleaning supplies will never be as important as buying food for their children. By providing these supplies, the families will be able to keep their homes clean and healthier for everyone. The kits can include things like:

- *Dishwashing Detergent*
- *Laundry Detergent*
- *Toilet Cleaner & Brush*
- *Pine sol*
- *All-purpose cleaning spray*
- *Washable rags or paper towels*
- *Toilet Paper*
